Dr. David Hime is a native of San Antonio, Texas. After receiving a BS in Chemical Engineering from Texas A&M, he entered the dental profession at the University of Texas Dental Branch in Houston. Dr. Hime is a Clinical Associate Professor in the Department of Orthodontics at the University of Texas Dental School in San Antonio, where he co-supervises the SPEED Clinic. He is a member of the Texas Orthodontic Study Club, where he has received numerous awards for clinical excellence, and is a diplomate of the American Board of Orthodontics. He began to use the SPEED appliance in 1998, and has taught introductory SPEED technique courses throughout the U.S. He is in private practice in Austin, Texas.

Dr. Nick Salome is a member of the American Dental Association, Texas Dental Association, Capital Area Dental Society, Southwestern Society of Orthodontists, and The American Association of Orthodontists. He is board certified by the American Board of Orthodontics and in 2005 was rated "Best Orthodontist for Kids" by the Austin Chronicle. He has maintained a faculty position at the University of Texas Health Science Center in San Antonio since 2002 and was promoted to Associate Professor and nominated by the orthodontic department for an Excellence in Teaching Award in 2005. Dr. Salome has been using the SPEED Appliance in private practice since 2002.

Drs. Hime & Salome have no financial interest in SPEED System™ Orthodontics or Strite Industries, nor do they have any financial interest in any SPEED Products
