Dr. David Hime is a native of San Antonio, Texas. After receiving a BS in Chemical Engineering from Texas A&M, he entered the dental profession at the University of Texas Dental Branch in Houston. Dr. Hime is a Clinical Associate Professor in the Department of Orthodontics at the University of Texas Dental School in San Antonio, where he co-supervises the SPEED Clinic. He is a member of the Texas Orthodontic Study Club, where he has received numerous awards for clinical excellence, and is a diplomate of the American Board of Orthodontics. He began to use the SPEED appliance in 1998, and has taught introductory SPEED technique courses throughout the U.S. He is in private practice in Austin, Texas.

Dr. Lorne Kamelchuk received his DDS with distinction from the University of Alberta in 1993 and subsequently received a M.Sc. in Oral Biology in 1994 while completing research on comparative hard and soft tissue imaging of the adolescent TMJ. He then completed graduate studies in Orthodontics at the University of Toronto in 1998. Dr. Kamelchuk holds the designations of Certified Specialist in Orthodontics and Fellow of the Royal College of Dentists of Canada. He is a recipient of the University of Alberta Stomatology Fellowship, a McIntyre Research Fund Bursary, and the Aaron L. Posen Award in Orthodontics. Currently in practice in Calgary, Dr. Kamelchuk is also an Associate Clinical Professor of Orthodontics at the University of Alberta.
