

# Superior Performance

# Superior Durability

## **SPEED's Nickel Titanium Spring Clip Delivers!**

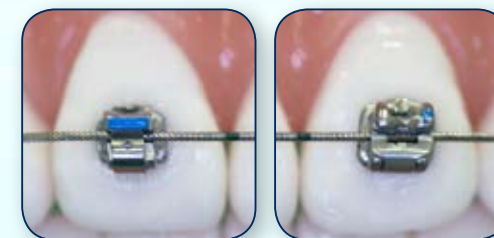

### **400% More Elastic... than Stainless Steel**

SPEED's Nickel Titanium Spring won't deform, and never "tires"! Choose a Spring Clip you can rely on.

### **A Labial Window... that you can actually use**

SPEED's Nickel Titanium Spring won't "tire" with repeated opening. Choose a Spring you can count on.

SPEED

SPEED Imitation

### **Imitators Recognize... our Clinically Proven Design**

Look around, SPEED Imitators are everywhere. Why? Because SPEED works. Let SPEED work for you.
